**RIVERSIDE EVENT
& NATURE VENUE**

A cocoon of luxury in deep nature

Tucked on the banks of the Rivière du Rempart, just 300 metres from the B21 main road, Reserv Mon Songes is our riverside secret garden. Only 10 minutes from Pamplemousses, with Petite Julie and Barlow as its closest villages, the venue offers a rare escape into pure oxygen and wilderness. Designed for gatherings of up to 400 guests, it blends raw nature and comfort with a touch of artistry (and no noise restrictions, so you can truly make it yours).

- Old sugar estate style stone pathways, winding through shaded gardens, pergolas, benches, and hidden photo spots
- 50 sqm pergolas by the riverbanks, cosy fire pits, an open-air kitchen, 6 toilets, and even an outdoor shower (because nature deserves a little luxury too)
